Innins frae tha Männystèr

Ah'm fain tae pit forrit ma Männistrie's Hannlin Rede fur 2010/11.

Oor Spaesicht hauds as "Weel-daein an throu-bearin curns o lanwart resydentèrs an surroons". We'r etllin at "pittin tha yins we'r fennin furst, biggin pairtneries an thinkin weel o oor darg-ban. We'r fur warkin in an eident gate, hantin oorsels quìck tae cheyngè, an mintin at fordèrin 'at hauds".

This Hannlin Rede bigs oan this Spaesicht an Mintin, 'at's fendit wi oor five Roadin Ettlins o fordèrin tha weel we'r daein in trokin; makkin tha resydentèr an sillerie intimmers o lanwart airts mair stieve; fairin tha poust an weelfarity o bastes, fishes an braird; graithin mair throu-bearin surroons; an pittin ower oor fennin tae yins we'r dalin wi in an eident gate.

Wi tha sillerie haudin tae tha fore thenoo it's weel seen thar's a when o sillerie kittles we'll rin agane in tha towmond tae cum. Yin sindèrie kittle fur ma Männystrie is tha ontak o yokkin, alang wi fairmin consarns oweraa, til whit's like tae be tha pittin back o CE sillerin as tha ootcum o CE preein o tha Sing'l Fairm Sillerin Ploy, whilk screenged mistaks in a clattèr o fairm cairds. We hae lappit intil this Rede a mairk effeirin til tha fairin o tha Lan Paircel Mairk-oot Gate mintit at reddin this maittèr.

Leukkin til maittèrs adae wi Euraip oweraa, we'r gart tak mair tent ower tha nixt thie yeir o tha oncum o tha Claught Fairms Roadin eftèr 2013, wi tha CE throchin gan oan. Short syne tha CE Bailzie haes stairtit a threap anent tha CFR eftèr 2013, an Ah'd gie an inlat tae fowk tae mak an inpit tae thon threap. Tha foremaist sair maittèrs in tha throchin anent mennin o tha CFR wull be tha bouk o tha CFR siller-kist an whit wye it wull be twinit tae Memmer Ledes, kintrie-pairts an fairmers. The' micht cud be leukkin tae dae a cheynged twinin o siller atween Memmer Ledes an fairmers, an we be tae cast this ower eidently wi tha throchin gan oan. Ither maittèrs we'r fur yokkin til taks in hannlin mair raggish cheynges in prices an mair o gettin roon makkin CFR aisier. MFKF is leukkin tae hae apen discoorse oan tha mintins o tha Bailzies in coorse an Ah'll aptly be gye an wuid tae hae tha takkins o yins 'at leuks tha guid o thae maittèrs.

Tha mair CFR desarns tha set we aa wark in, it's tha skeels an lang-heiditnes o sindèrie fairmers 'at fordèrs tha hale hannlin. Ah'm lippenin oan apenin a saicon gang o tha Fairm Modrenisin Ploy furtae kittle sillerin o haudins an Ah wud gie an indraught tae fairmers an fairm fairmilies tae tak tha guid o tha inlats fur lear an prenticin pit afore thaim wi tha College o Fairmin, Mate an Lanwart Hannlin.

Ah'm castin ower a fynnin frae tha Yins Leukkin tha Guid o Fairms Collogue oan Replenishin Caa which Ah fettled furtae gie me wyce anent whit wey tha lanwart shaidins cud tak tha guid o tha inlats pit forrit wi tha oncum o replenishin caa. Thon fynnin wull gie a steid fur a mendit MFKF Replenishin Caa Jeein Rede. Wi monie a yin leukkin tha guid o tha biomass eldin technologies athin tha shaidin, Ah'm leukkin tae stairt a Biomass Kittle Siller-Kist as pairt o thon Jeein Rede, whaniver aa's allooed 'at's necessar. This wull gie a pall tae tha shaidin furtae yaise sindèrie technologies tae mak consarns mair eident an throu-bearin oan tha fairms. Shuitin technologies taks in fairm-bouk anaerobic digesters an biomass bylers.

It's siccar 'at tha Nitrates Wisin is a kittle fur monie a fairmer. Ah'm fain tae say, but, 'at fairmers haes daen weel in takkin oan tha kittle, seein tha complutherin wi tha Nitrates Wisin haes been guid gaun. Ah wad roose tha fairmers fur tha wey the' hae thirled tae shuitin tha stannèrts o tha Jeein Rede. It wud a daen yer hairt guid tae see tha swee in tha uise o mannerin an muckin. Guid warkin in yird hainin an throu-bearin fairmin is guid thair wittin fur siller forbye. The' jube 'at slurry wad be plenishment nooadays an the'll can mak tha maist o tha feck o't fur muckin wi skailin slurry whaniver tha haudin's tha maist shuitit an wi yaisin patents 'at's tha maist eident. We're leukkin tae apen tha Mannerin Eidence Technologie Ploy (METP) agane wi a saicon gang in tha hinner-en o tha towmond furtae gie an indraught tae takkin oan glegg gates fur skailin slurry. Tha graith sillert by wey o METP wull mak siccar o a clattèr o brows fur tha yird in tha eident guidin o fushion, stannèrts fur wattèr an inlaik in ootpittin o glesshoose gasses. Forbye, it gies a han wi inlaik o stoich an tha chairges fur inpittin chemical muckin.

A Hauf-Term Wechtin o tha Kintrie Oncum Ontak (KOO) maun be throcht in 2010 an wìt o tha owercum gien tae tha Bailzies or tha enn o Decemmer 2010. Amang tha wunnins 'at recks gyely tae thenoo ye hae tha lairnin liths o Exis 1 o tha KOO, whulk fowk's gyely draan tae. Frae Septemmer 2009, thar's been 190 tids o caain in at Tentin oan Fairms, wi 2,400 boadies tha hale tot lannin wi thaim. 501 Fairm Faimlie memmers haes pit in fur skeels lairnin, takkin in a clattèr o prenticin coorses frae drivin motors tae tent o weans an ICT. Ah'm leukkin tae awn wi tha 12,500 boadies 'at yokt til fairm yird hainin ploys. Frae tha stairt o tha KOO tae tha fore thenoo, thar haes bin ootlay o about £85 millye in sillerin fur fairmers an lairds 'at hauds tae guidin thair lan fur tha guid o tha yird about thaim. Thenoo, 42% o shuitin fairmin lan is unnèr greeance fur fairin o yird-hainin, an about £23 millye in LFACA haes been dalet tae about 13,000 yins getting tha guid o't. Ah'm fur castin ower eident-like tha fynnins an mintins o tha wechtin in onie desarnin cum tae eftèr thon tae cheynge tha harns or sillerin o tha ontak. Tha Bailzies maun aloo aa cheynges tae tha ontak forbye.

It's weel seen frae tha Aa-Islan Baste Poust an Weelfarity Roadin 'at it recks gyely tae hae cummin thegither an graithin o marrowin roadins athin tha islan o Airlan. It aises a steid fur fennin an fairin oor stannèrts o poust and weelfarity fur bastes an fur hovin tha inlats fur sennin oor fairm stockin an ootcums o fairm stockin owerseys.

Forbye, Ah'm fordèrin a gye an wechtie ontak o laa-makkin.

Ah'm brìngin forrit a new Baste Weelfarity Bill ettled at keppin aa bastes wi a riggin unnèr tha owerance o fowk frae fell guidin an unnecessar dree. Tha B'ill wull mak tha fennin fur bastes 'at's no fairmed mair like whit's gien fairmed bastes aareadie unnèr tha Weelfarity o Fairmed Bastes Guidins.

Tha Heid Coouncil o Männystèrs haes allooed ma roadin mintins fur new doag owerance laas an compluthert wi tha indytin o a new Bill we'r fur brìngin intae laa in tha ware o 2011.

Tha Foarestrie Bill brings foarestrie laas up tae date an pits forrit a new spaesicht fur foarestrie intae tha days tae cum, takkin tent o tha muckle inpit o foarestrie tae sillerie oncum an lanwart joabs, an tha braider guid eftèrcast oan resydentèr, sel-replenishin an yird-hainin daeins, takkin in tha ontak o foarestrie in mennin tha ill ootcum o cheynges in tha wather an tha wye hovin tha foarests recks gyely. Ah'm leukkin tae gie an indraught tae mair plentin o wudlans an tae prig tha pairt o wudlans oan tha fairm wi its sindèrie brows.

We'r tae tha fore tae fen tha hale feck o resydentèrs, an theyeir we'r leukkin tae fair oor fennin wi eikin tae tha nummer o MFKF Direck oaffises an makkin siccar yins we'r trokin wi can ingang oor fennin wi tha maist like gate. Ah'd be fur axin yins we'r fennin tae cast ower yaisin oor fennin ower tha wab, acause thon daesnae wise awa sae much siller, an it's quicker an haesnae as monie mistaks.

This 2010/11 Hannlin Rede kythes tha heicht o throch-pit 'at tha Männystrie mints at takkin oan nixt yeir tae uphaud tha fairm-mate shaidin. This taks in ettlins tae dae wi tha Kintra Oncum Ontak, tha Euraip Fishin-Grunns Kist, fennin agane fludes, Sing'l Fairm sillerin o aroon £280 millye, Fairm Modrenisin, a new Foarestrie Ect, yokkin til tha eftèrcast o tha Scance o Bettèr Guidin an Inlaik in Kittles, a Lanwart White Paiper, fordèrin o tha Doag Owerance an Weelfarity o Bastes B'ills an tha stellin o anither fower aa-oot warkin MFKF Direck oaffises.

Ah haud tae bein thirlt tae makkin siccar 'at jonick daeins an guid mellin is at tha hairt o oor hannlin an 'at we wark tae pit ower thae misurable oweracums which flauchts, as effeirin, wi MFKF heid snoddins pit forrit in tha Roadin fur Governmenn, takkin in Resydentèr Fennin Greeance an Eidence Ootpit Ploy thirlins.

Ah'll mak siccar we wark pack in neiborin an pairtnerie wi ither Governmenn Männystries an curns in ootpittin bettèr fennin; an 'at we mell aa oot wi yins 'at leuks tha gate o oor hannlin, industrie, yins we troke wi an tha hale feck o lanwart resydentèrs. Gin we dae this Ah wud lippen oan tha ettlins in this Hannlin Rede bein wun tae.
