PREFACE

I am pleased to present my first report on the Social Fund for the financial year 2013/2014.

Throughout the year, the Social Fund has continued to help people on low incomes cope with unforeseen emergencies and manage unanticipated expenditure. The Fund has provided assistance with costs that many people had difficulty meeting through their regular incomes and has helped them with a variety of expenses, including funeral expenses, the costs of a new baby or one-off payments for large items, such as items required to furnish a home.

Over 129,000 Budgeting Loans were awarded totalling £53.69 million. This was in addition to over 103,000 Crisis Loans and over 20,000 Community Care Grants, which together totalled £28.14 million.

A total of 3,304 maternity grants were awarded, providing £500 to families to help meet the costs associated with a new baby. Awards amounting to £2.62 million were granted under the Funeral Payment scheme and, furthermore, the Fund also provided assistance with fuel costs with Winter Fuel Payments contributing to heating costs in 229,276 pensioner households.

In line with national welfare reform, it is proposed that the Community Care Grant and Crisis Loan elements of discretionary Social Fund will be abolished. A new discretionary support service will be put in place here.

Mervyn Storey MLA

Minister for Social Development

1. INTRODUCTION

- 1.1 This is the twenty-sixth annual report on the operation of the Social Fund, and it is laid before the Northern Ireland Assembly in accordance with section 146(5) and (6) of the Social Security Administration (Northern Ireland) Act 1992.
- 1.2 The Social Fund scheme comprises a regulated scheme made up of Maternity, Funeral, Cold Weather and Winter Fuel Payments and a discretionary scheme comprising Community Care Grants and repayable Budgeting and Crisis Loans.

Source of data for this report

- 1.3 The figures in this report, unless stated otherwise, are taken from the Department's Social Fund Policy, Budget and Management Information System and from scans of the Social Fund Computer System¹. Together these data sources record details of every individual application, subsequent payment decision and any outstanding repayment record and also provide useful comparative data for various purposes such as average awards, what needs they cover and how various client groups are using the Social Fund. These comparisons are shown in the annexes to this report.
- 1.4 The figures in this report, unless otherwise stated, do not include clerical cases that have not yet been built onto the Social Fund Computer System.

1 There is also a statutory requirement to produce a Social Fund White Paper Account. Current arrangements are that this is laid in the Northern Ireland Assembly separately.

2. THE REGULATED SOCIAL FUND

Sure Start Maternity Grants

- 2.1 The Sure Start Maternity Grant is a payment of £500 to provide important help for families with the costs of a new baby (or babies in the event of a multiple birth) if there are no other children under 16 in the claimant's family. The grant is available to recipients, and partners of recipients, of a qualifying benefit or tax credit. For claims in 2013/14 these are: Income Support; income-related Employment and Support Allowance; income-based Jobseeker's Allowance; Pension Credit; Child Tax Credit (at a rate higher than the family element); or Working Tax Credit (which includes a disability or a severe disability element).
- 2.2 Changes were introduced in respect of babies born or expected on or after 29 October 2012 to pay Sure Start Maternity Grants for the additional children of subsequent multiple births, even though there may already be a child under 16 in the family. This policy change recognises that help is needed with the costs of each additional child of a subsequent multiple birth. For example where the birth of twins follows a previous single birth, a Sure Start Maternity Grant can now be paid to help with costs of the additional child.
- 2.3 In 2013/14 3,304 awards were made worth £1.67 million. Sure Start Maternity Grant statistics are in Annexes 1, 2 and 12.

Funeral Payments

- 2.4 The Funeral Payment scheme continues to provide help towards a simple, respectful, low-cost funeral. Payments are made to a person responsible for funeral costs who is in receipt of (or whose partner is in receipt of) a qualifying benefit or tax credit. In 2013/14 the qualifying benefits and tax credits are the same as for the Sure Start Maternity Grant (see paragraph 2.1 above), but with the addition of Housing Benefit.
- 2.5 In 2013/14, 2,543 awards were made worth £2.62 million.
- 2.6 The Social Security Agency's Bereavement Service has continued to provide a means of claiming a Funeral Payment by telephone for people in receipt of income-related benefits, reporting the death of a relative or friend. Funeral Payment claims may also be made by completing and submitting the written Funeral Payment claim form.
- 2.7 Funeral Payment statistics are in Annexes 1, 2 and 12.

Cold Weather Payments

2.8 Cold Weather Payments provide help with additional costs of heating during periods of severe weather. The scheme runs from 1 November to 31 March each year. Every residential postcode in Northern Ireland is linked to one of the weather stations used in the scheme. A payment is made when the average temperature has been recorded as, or is forecast to be, 0°C or below over seven consecutive days at the weather station linked to the person's postcode.

2.9 In 2013/14 eligible recipients of a Cold Weather Payment were:

Benefit in Payment	Qualifying Conditions for a Cold Weather Payment
Pension Credit	Entitled to Cold Weather Payment (CWP).
Income Support (IS)	Entitled to a CWP if they receive a disability premium, a severe disability premium, any one of the pensioner premiums, a child disability premium within IS or Child Tax Credit (CTC) or they have a child under 5 years.
Income based Jobseeker's Allowance (JSA(IB))	Entitled to a CWP if they receive a disability premium, a severe disability premium, any one of the pensioner premiums, a child disability premium within JSA(IB) or CTC or they have child under 5 years.
Income-related Employment and Support Allowance (ESA(IR))	Entitled to a CWP if they receive the support component, the work-related activity component, a severe or enhanced disability premium, pensioner premium, or have a child who is disabled for whom they receive a disability premium within CTC or have a child under 5 years.

2.10 In 2013/14, because of the mild winter, no payments were made.

Winter Fuel Payments

2.11 Winter Fuel Payments help older people to meet heating costs. They are tax free and do not affect entitlement to social security benefits.

2.12 Forecasts indicate that 311,421 people in 229,276 households benefited from a Winter Fuel Payment in 2013/2014. The total spent in 2013/2014 on Winter Fuel Payments is estimated to be around £54 million.

2.13 Households with someone who had reached State Pension age for women and aged up to 79 received £200 and households with someone aged 80 or over received £300.

- 2.14 Most people who had reached the State Pension age for women and who were normally living in Northern Ireland were eligible for the Winter Fuel Payment. Winter Fuel Payments are paid to people residing in another European Economic Area country or Switzerland as long as they have a genuine and sufficient link with the UK. The qualifying week for winter 2013/14 payments was the week beginning 16 September 2013.
- 2.15 The majority of payments were made automatically before Christmas 2013 without the need to claim. However, newly eligible people needed to make a claim if they were not receiving a social security benefit (or receiving only Housing Benefit or Child Benefit) during the qualifying week.

3. THE DISCRETIONARY SOCIAL FUND

Crisis Loans

- 3.1 Crisis Loans are repayable awards. Although there are no qualifying benefit conditions, Crisis Loans are only available in certain circumstances when a person has insufficient resources to prevent a serious risk to health or safety to themselves or their family.
- 3.2 In 2013/14, a total of 103,185 payments were made, worth £14.45 million.
- 3.3 Crisis Loan statistics are in Annexes 1, 3 and 8 to 11.

Community Care Grants

- 3.4 Community Care Grants are not repayable. They help people with specific needs who receive a qualifying benefit to establish themselves, or to remain, in the community or to ease exceptional pressures on them and their family. The qualifying benefits are: Income Support; income-related Employment and Support Allowance; income-based Jobseeker's Allowance; and Pension Credit.
- 3.5 For 2013/14, the Community Care Grant budget was £13.72 million and 20,121 payments were made worth £13.69 million.
- 3.6 Community Care Grant statistics are in Annexes 1, 3 to 5 and 11.

Budgeting Loans

- 3.7 Budgeting Loans are repayable awards. They help people who have been in receipt of a qualifying benefit for at least six months with intermittent expenses for which it is difficult to budget. The qualifying benefits are: Income Support; income-related Employment and Support Allowance; income-based Jobseeker's Allowance; and Pension Credit.
- 3.8 In 2013/14, a total of 129,348 awards were made, worth £53.69 million.
- 3.9 There is a single Budgeting Loans allocation, which is controlled and managed at a regional level to ensure that all Budgeting Loan applicants in the same circumstances are treated in a similar way wherever they live. From April 2013, this budget has been funded solely from recoveries without any additional Annually Managed Expenditure allocations.

- 3.10 The Budgeting Loan scheme will remain in place for applicants in receipt of existing income-related benefits until they migrate to Universal Credit (at which point they may be eligible for a budgeting advance). There will be no change to how Budgeting Loans are to be delivered.
- 3.11 Budgeting Loan statistics are in Annexes 1, 3, 6, 7, 10 and 11.

Discretionary Social Fund Reform

- 3.12 It is proposed to introduce a number of changes to the way in which Social Fund services are administered.
- 3.13 The proposed changes will include:
- The removal of existing Community Care Grants and Crisis Loans.
 - The abolition of the Office of the Social Fund Commissioner which provides independent 2nd tier reviews of discretionary Social Fund decisions.
 - A new Discretionary Support service to be introduced. It is intended that the new provision will consist of both grant and loan payments. Work on the development of Discretionary Support arrangements is ongoing and will include provision of an independent 2nd tier review function. The Social Security Agency is also considering a pilot for the provision of goods as an alternative to cash payments with a view to informing decisions about wider application.
 - Support currently provided by alignment to benefit Crisis Loans and interim payments will be replaced by provision of Short Term Benefit Advances.
- 3.14 Funeral Payments, Sure Start Maternity Grants, Cold Weather Payments and Winter Fuel Payments continue to be available.
- 3.15 The present Budgeting Loan scheme will remain available to those in receipt of the present qualifying benefits until the full rollout of Universal Credit is completed.

4. GENERAL ADMINISTRATION

- 4.1 In 2013/14, the Social Fund was delivered via the Social Security Agency's local offices. This included a dedicated Crisis Loan telephone service to deal with applications for living expenses over the telephone.
- 4.2 The normal method of applying for Funeral Payments, Sure Start Maternity Grants, Budgeting Loans and Community Care Grants is in writing. The Bereavement Service, however, takes Funeral Payment claims over the telephone when a potential Funeral Payment recipient prefers this to making a written claim.

Reviews

- 4.3 A discretionary Social Fund applicant who is dissatisfied with the initial decision on their application may apply to have the decision reviewed. Consideration is given to whether the law (including Directions and Guidance) has been applied correctly, and the case handled fairly and reasonably.
- 4.4 A reviewing officer within the Social Security Agency carries out the first review and the outcome is notified to the applicant. In 2013/2014, the Social Security Agency dealt with over 12,000 applications for first review.
- 4.5 Applicants who remained dissatisfied were able to ask for a further review by a Social Fund Inspector at the Office of the Social Fund Commissioner. Social Fund Inspectors are appointed by the Social Fund Commissioner. In 2013/2014, Social Fund Inspectors reviewed 1,641 reviewing officer decisions.
- 4.6 The Social Fund Commissioner has reported separately on the standard of reviews carried out by Social Fund Inspectors. His report is published in conjunction with this one.
- 4.7 A summary of Social Fund review applications is set out in Annex 11.

Clearance standards

- 4.8 Local and regional performance is monitored against a comprehensive set of Social Fund clearance standards. The achievement against the standard in 2013/14 is shown below.

Average Actual Clearance Times (AACT) (working days)	AACT Standard	Achieved in 2013/14
Community Care Grants	12	7.3
Budgeting Loans	4	3.0
Crisis Loans	2	1.0
Local Review of above grants and loans	10	5.7

- 4.9 The standard for Average Actual Clearance Times was met for all Social Fund applications.

The fund does not therefore fall exclusively into any one of the Departmental client groups of **Children, Working Age** and **Older People**, although Social Fund payments are either paid to, or benefit, all of these groups. Some statistics in this report are shown by applicant or claimant groups that fall into one or more of the wider client groups.
